##### **Seeds of Wisdom**

An opportunity to build a Catholic school in South Sudan, the home of Fr. John Lugalla of St. John the Evangelist parish. They are asking for \$750,000 over 5 years from the Rochester Catholic community. A group, principally from St. John's is asking all parishes in Rochester to participate. Have incorporated their own 503C for this endeavor. This proposal and plan has been in planning for years to overcome local challenges. Could see it as a Parish project, we will invite them to speak in February to the Pax Christi community.
