

Pax Christi Pastoral Council Minutes – August 16, 2016

Attendees

Matt Klebe, Carol Stortz, Barb Schuh, Peter Streit, Art Dunne, Fr. Joe Fogal, Tim Shea, Alexis Zaccariello, Scott Weaver

- Welcome to the new Pastoral Council member, Scott Weaver
- June minutes were approved and sent to Tim Shea and Joyce Lehman

New Business

Staff and Facilities update (Tim Shea):

- New heating/air conditioning control system update. The humidity has dropped from 80% to 42 % which is a significant improvement for the instruments. People have been reporting being cold.
- Contracted to do painting around McCauley Hall
- Fiber cable will be added to the church. They are also installing Firewall for guests in McCauley Hall.
- LED lighting will be completed in the hall.
- Talking about getting a commercial freezer for the kitchen.
- Concrete work will be done in the next week or two.
- CMA appeal: we are at 85% and have 255 donors. If we could encourage 50 donors to commit to \$300 each, we would be at our goal. We have until the end of the year.
- We completed our 3 year audit very successfully. We were ahead on revenue and under budget.
- Road construction on 18th Ave. will start in May 2017 and completed in October 2017. Driveways on east side of church might be changed so we are working on making sure that it will not create unnecessary traffic congestion.
- Yearly Newsletter report on the state of the Parish will be completed by next meeting.

Continuing Business / Updates

- Doughnut Sunday/New Member Welcome Event update: June and August was run by the Pastoral council. Carol received positive feedback from parishioners. Carol suggested that we don't host a new member event the same day that we run the doughnut Sunday.
- We will do 3 new member events per year: Jan, May and Oct. and we will continue to host doughnut Sunday in June and August.
- Carol will contact Tim Fink for his suggestions on Council involvement with 1-2 Doughnut Sundays during the year
- If we continue to do minutes on Google docs the group needs to be educated on how to use Google docs.
- Stewardship committee: Art, Tim and Joyce will attend a Stewardship workshop on Thursday August 25.

Other Notes

1. Thank you notes: None this month
2. Next Meeting is Sept. 20th at 7:00pm
