ADULT CODE OF CONDUCT GUIDELINES FOR ADULT CHAPERONES

As an adult chaperone, you set an example for the young people who are participating in this event. The following is what the diocese requires of you as a chaperone.

- Adult chaperones must be at least 21 years old. 18-20 year-olds no longer in high school are considered adults, but are not able to be chaperones. Safe environment training [VIRTUS] and a background check should be up-to-date (within the past five years of event). All adult chaperones are responsible for helping to enforce the Code of Behavior and should use the "Code" as a guide for their own behavior. Adult participants are expected to refrain from drinking alcoholic beverages for the duration of the event, as well as during their travels to and from the event. The possession or use of illegal drugs by an adult will not be tolerated and will be reported. No weapon of any kind may be possessed by an event participant, youth or adult.

In addition, your diocesan group leader will give you more detailed information on what is expected of you as a chaperone. As a volunteer of the parish, you are responsible for enforcing rules set forth by the parish and diocese.

The following suggestions are typical of your role, but not exclusive as chaperone during the event. If you have any questions about what to do as a chaperone, check with your parish leader.

- The recommended ratio for adult chaperones to youth is one adult for every five youth and gender specific. Adults, as well as youth, are expected to attend activities. During event activities, adult chaperones should be available in the area where the activity takes place to supervise all youth. Young people should be assigned a specific adult chaperone who will be responsible for their supervision and care throughout the event. Adult chaperones should review the code and related guidelines with the youth assigned to them and assure that the young people understand important safety information. Adult chaperones are responsible for enforcing the diocesan curfew and for keeping noise to a minimum in the sleeping areas. The diocesan leader sets the curfew. Adult chaperones do not have the authority to extend it. Be aware of noise levels in sleeping areas. All people have the right to quiet time and privacy. It is suggested that adult chaperones check rooms periodically after curfew to make sure the young people remain in their rooms. No less than two adult chaperones can enter a youth sleeping room. One of the chaperones must be of the same gender as the youth in the room they are entering.

I agree to abide by the code of conduct / adult chaperone guidelines when traveling to and from and during this event. I understand that any action inconsistent with the Code of Conduct / Guidelines or failure to take action mandated by this Code of Conduct / Guidelines may result in my removal from this event.
