Evangelization Tool: Joyce and Fr. Jon presented on Alpha.com a program that invites people of all backgrounds, from inside and outside our Parish community, to gather in a small group setting to learn about Jesus. This excellent tool is an opportunity of renewal for the entire parish. The Pastoral Council should consult the website and come to the next meeting with ideas on possible implementation.

Thank you notes: Pete will write to Bernie Buehler for yard work

Next Meeting: September 19th at 7:00

Bernard will present on the possibility of his home parish in the Congo being our sister parish.

Council members come prepared to talk about Alpha.com
