#### Updates:

Staff and Facilities update

Key responsibilities areas are being developed for each staff member along with long-term goals. This will help the parish be run more efficiently and effectively.

Will be buying two more deacon's chairs and a bench for the servers.

Financially we continue to be in good shape. We are 7% over last year's revenue collected and 16% of revenue over our budget.

#### St. Vincent de Paul Overview, Linda Weltzin, President Pax Christi SVdP

Mission is to grow spiritually and we do that by offering people person-to-person assistance. They pray before during and after going to visit with people in need. Linda presented some financial numbers, talked about the centralized calling system and described the local conferences. A young conference is starting at Holy Spirit. They always need financial support and prayers. They can always use new people to help out.

#### Continuing Business

Alpha Evangelization Program has a training in February.

Mission and Vision Committee: Thursday December 4 they met and are planning to have listening sessions in January. They need to recruit and train moderators for the sessions.

Mass Offerings for care facilities at Real life and Shorewood. Possibly changing the Wednesday mass at Pax to 5:30pm.

Pastoral Council/Trustee/Staff Christmas Gathering: January 11<sup>th</sup> will be a Christmas gathering after finance council meeting.

#### New Business

Pentecost and Sacraments of Initiation: Would we be open to hosting the Pentecost vigil Mass May 19 at 7pm? Infant baptisms are happening during mass. There are 8 people in RCIA that need to be confirmed.

Saturday January 20 is the annual ministry leaders meeting 9:00am. All are invited to attend.

Question of having council members rotate through the weekends so that someone is available and visible at all the masses on a given weekend. This will also help to cover Fran's responsibilities when she is off.

New Member welcome in February.
